New York Jan. 9.

Dear Deborah

We got word this morning
that Mrs Grant is better & has gone to Mrs.
Kindall at Boston. as a regular snow
storm has set in. we shall not go on
I am glad enough for I don't like
gadding about in winter with
children. Our visit is now
indefinitely postponed as Sarah's only
fear was that her mother was bored
bored at Charles. She will now be
comfortable at Mrs K's. The infants
will be much disappointed but can't
be helped. The Union seems to be
in a precarious state. "Let her stand"

I have no time for more.

Many Chapman Lees sent
me & Co — to send to Emma for
a/c of Mrs Ropes —

Superintendent
